

Dear Parents & Guardians,

It is hard to believe that we are already midway through the first month of school!

We have had a very busy start up to the 2017-18 school year with 149 students now enrolled. With the increase in student enrollment we have had to make a few adjustments to our bussing.

As you know, we have 2 busses to transport students to and from school on a regular basis. The maximum capacity for each bus is 64, for a total of **128** students. Currently we are full to capacity in both busses and are not in a position to accommodate any further requests. Any students who wish to register for the bus will be put on a waiting list.

Unfortunately, this also means that we are not in a position to have students who are not registered to ride the bus on any given day or ride on a bus they are not registered for. If your child needs or wants to go to the Youth Centre or visit a friend you will need to make other arrangements.

We have many students who go to the Youth Centre at the end of each day from Bus Route 1 and 2. As a result, both busses will go to the Youth Centre each day prior to continuing on with their scheduled routes.

If you have any questions or concerns please give me a call or drop by for a visit.

Cheryl Sebastian, Principal
