

CERTIFICATE OF PARENTAL PERMISSION FOR ALL SCHOOL DAY FIELD TRIPS

Sk'elep School of Excellence considers it desirable that students should visit and observe for themselves certain aspects of community life. There are numerous resources within the community which provide valuable educational experiences.

A staff member(s) will accompany the school field trip and every reasonable precaution to ensure the safety of the students will be taken. Staff members will ensure that parents are aware of all upcoming field trips through normal means of communication.

Should a school field trip be taken in which there might be more than normal risk or difficulty of supervision, you will be asked for specific approval for that field trip.

CERTIFICATE OF PARENTAL PERMISSION

I give permission for my child, or student in my care, to participate in school field trips. It is understood that the full cooperation of the students is required at all times if these activities are to be successful and a worthwhile experience for all involved.
